2. Completers

This section requests completion data on two separate cohorts (150% and 200%) of full-time, first-time, degree/certificate-seeking undergraduate students enrolled in your institution during the specified fall term or academic year. Students must be enrolled full-time in courses that lead to a credit-bearing degree, diploma, certificate or other formal award. Count completers only once and indicate the highest degree level earned. Report the status of these students as of August 31 of the reporting year. Please see the instructions to identify students for inclusion in the specific cohorts.

E. Distance and Correspondence Education

Distance education means education that uses one or more technologies to deliver instructions to students who are separated from the instructor and to support regular and substantive interaction between the students and the instructor. See the Instructions for a full explanation.

Part 1. Distance Education

	Data on File (as of 4/18/2014)	IP Data (2013- 14)
Did your institution, in the most recent prior year (July 1, 2012 - June 30, 2013), offer distance education courses, as defined in the Instructions?	No	No

Part 2. Correspondence Education

Correspondence education means: (1) Education provided through one or more courses by an institution under which the institution provides instructional materials, by mail or electronic transmission, including examinations on the materials, to students who are separated from the instructor; (2) Interaction between the instructor and the student is limited, is not regular and substantive, and is primarily initiated by the student; (3) Correspondence courses are typically self-paced; and (4) Correspondence education is not Distance education.

	Data on File (as of 4/18/2014)	IP Data (2013- 14)
Did your institution, in the most recent prior year (July 1, 2012 - June 30, 2013), offer Correspondence education courses?	No	No

Middle States Commission on Higher Education Institutional Profile 2013-14

[0236] College of New Jersey, The

I. Financial Information (Part 1)

REMINDER: Please make sure to use the TAB key instead of the ENTER key to navigate from field to field. The ENTER key will cause the data to be submitted (i.e., clicking on the Update button).

Report the same data for Educational and General (E&G) expenses on the Institutional Profile that your institution reports to the Integrated Postsecondary Higher Education Data Systems (IPEDS). The IPEDS Part and Line numbers are noted for each data element listed.

Verify the beginning and ending date for your institution's fiscal year. The default dates are 7/1/2012 through 6/30/2013 (the most recent year for which you would have audited financial statements). If your institution uses different dates, please change the default dates accordingly. For example, enter 1/1/2013 through 12/31/2013.

Report financial data in whole dollars. Round cents to the nearest whole dollar. For example, enter 124, not 123.65.

Do not enter data in thousands of dollars. For example, enter 1,250,000, not 1,250.

Enter negative numbers using a minus sign. For example, enter -100,000, not (100,000).

Complete every field for which you have financial data. Fields marked with an asterisk are required. You will not be able to "lock down" your data and submit the Institutional Profile if these fields are not completed.

Shaded information cannot be modified online. * denotes a required field.
